VIRTUAL PILGRIMAGE

Cathedrals of Britain

Wednesday 19th May 2021

Parish Pilgrimage

Due to the ongoing pandemic we have been forced to cancel our pilgrimage plans for last year and this coming year. We have teamed together with Cathedrals across Britain to bring together our first virtual pilgrimage! It is our hope that as a parish we can come together spiritually to deepen our understanding of the kingdom of God.

What to expect...

We will meet with Clergy and stewards from Cathedrals across Britain. They will tell us the history of their Cathedral, its life of prayer, mission, ministry and their experience of the pandemic. The pilgrimage journey will be accompanied with Prayer services & the Eucharist.

How it will work...

The Pilgrimage will be broadcast via our [YouTube Channel](#). Simply follow our timetable of services as outlined overleaf using the Pilgrimage tab at top of our Channel homepage.

Cathedrals of Britain?

Abbeys and Cathedrals are ancient footmarks that trace the history of society through our holy places. Most were at one time the focal point of their community and remain so today.
