

A simple way to give to your church

All Saints, West Dulwich

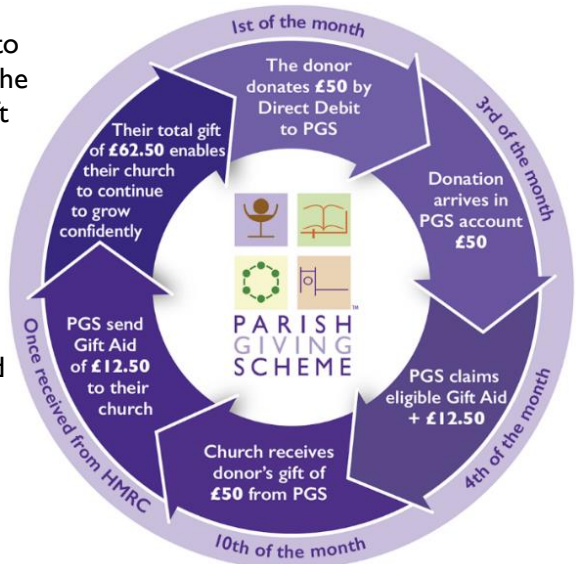

Walking | Welcoming | Growing

Thank you for your support for our church, enabling us to serve our community and share God's love with those around us.

The Parish Giving Scheme (PGS) is a secure, free way to help you plan your regular giving tax efficiently and benefit your church!

The PGS enables people to donate to a church via a Direct Debit, claims the Gift Aid monthly, sending the full gift and Gift Aid back to your church's bank account.

Used by 70,000 donors in 34 dioceses, PGS is **easy to use and reliable**. It **improves churches' cash flow, reduces administration** for Treasurers and Gift Aid Secretaries and **helps increase giving year on year** with its optional annual inflationary increase.

How does the PGS work?

You give your regular donations to your church via the PGS by Direct Debit, on a monthly, quarterly or annual basis on the 1st of the month. You can change or cancel the amount at any time, online or by a simple phone call, so you can confirm the amount you give before your account is debited. Each donation is restricted to your parish church and, if you are eligible, Gift Aid is claimed monthly on your church's behalf, maximising cashflow.

Inflation and optional increases

Our church, like every household, is hit by inflation. Many people forget to increase their gift annually, and with increasing costs, it is worth less over time.

The PGS tackles this problem by enabling church members to choose to increase their giving annually in line, partially or fully, with inflation. You are given time to reflect on the revised amount each year and can leave it the same, add more or decrease if you wish. Therefore you retain full control. It would make a huge impact on our church's finances if our planned givers opt for this option. **Please opt to maintain the value of your gift.**

Maintaining the value of your gift

I wish to support my parish in the future by increasing my gift each year in line with inflation

I understand that the new amount will be communicated to me by email prior to the giving date. I have the right to opt out of this arrangement at any point in the future by communicating my wishes to the Parish Giving Scheme.

Why give in a new way?

How much you give is a matter for your personal and prayerful reflection, as you respond to God's grace and generosity. PGS benefits by reducing volunteers' admin time, provides free monthly gift aid claims, improves our cash flow, has no transaction fees and helps our church keep up with inflation, giving us more time and money for God's mission!

Three ways you can sign up!

- **Online**

Scan the QR code to reach [your church's landing page](#). Alternatively, go to parishgiving.org.uk and search for the parish using our PGS code.

On your PGS page, click 'Regular Giving' and follow the instructions to set up your Direct Debit. Please opt in to 'maintain' the value of your gift by considering each year to increase your gift in line with inflation.

- **Telephone**

Call PGS on 0333 002 1271. Lines are open Monday to Friday, 9am – 5pm. It normally takes around 10 minutes to set up over the phone.

- **Post**

You will need to complete our Gift Form and post it to PGS office's address. You can download the Gift Form from our church website.

However you choose to sign up, you will need to have the following information at hand:

- your personal bank account details
- the name of our parish: **West Dulwich, All Saints**
- the PGS code for our parish: **370637084**
- whether you are eligible for Gift Aid

If you currently give by standing order, you will need to cancel your payment. We recommend waiting until you have received your welcome letter or email from PGS.

You may also choose to give anonymously, and your church will be notified only of the amount of your gift.
