

# Supporting Robes

## Wednesday Club

Come and volunteer at our weekly meeting space for current and former guests. An opportunity for guests to come together as a community, share food & laughter, and reconnect. Guests are also able to get advice, guidance and support from staff members. Individual and corporate volunteers welcome.

For corporate volunteers, your team gets to plan the menu, provide the ingredients and the cooks, and have some fun in the kitchen!

For more information, please contact [project.officer@robes.org.uk](mailto:project.officer@robes.org.uk)

## A Day of Culture

Are you a corporate who could you take our guests on an experience day, activities that many of us take for granted? Some examples:

- The London Eye
- Riverboat cruise
- Trip to the theatre
- Tower of London
- The aquarium
- Madame Tussauds

For more information please contact [project.officer@robes.org.uk](mailto:project.officer@robes.org.uk)

## Put on Your Own Event

Why not have a fun event with your work team, church group, or friends, where the proceeds are donated to supporting local homeless people through Robes?

The event choice is yours - a morning tea, pub quiz or charity dinner are some suggestions. Throw in a raffle, and enhance your teams competitive streak to see who can sell the most tickets!

Details on how to donate are at the end of the document.

## Sponsored Events

Are you a keen runner and want to do a marathon but want to support a charity while doing so? Maybe you're not quite up for a marathon, but 5km is more your speed. Or are you an adrenaline junkie who has always wanted to do a bungee jump?

There are many sponsored events that you can participate in, with the money you raise going to Robes. For more information, go to [www.robes.org.uk/events](http://www.robes.org.uk/events)

# Volunteer for the SleepOut

On the last Friday of November every year, Southwark Cathedral hold a SleepOut for Robes. Either yourself or your team could take place in a sponsored night under the stars in historic church grounds of Southwark Cathedral under the light of the Shard, for a small taste of what it is like to be homeless. There will be an evening of entertainment beforehand.

For more information, go to [www.rob.es.org.uk/sleepout-rob.es](http://www.rob.es.org.uk/sleepout-rob.es).

# Host Our Night Shelter

Are you part of a church in Lambeth or Southwark? Does your church have a warm and dry space large enough to host our homeless guests one night a week throughout the Winter Season?

This can be a truly rewarding experience, and we have heard from other participating churches that taking part in Robes can really bring a congregation together and create more of a presence in the local community.

To find out more, or to discuss how your church might be able to help, please contact us at [project.officer@rob.es.org.uk](mailto:project.officer@rob.es.org.uk)

# Volunteer for the Night Shelter

You don't have to belong to a participating church to volunteer at our night shelters. We will be able to help link you into one of our teams so you can still help.

Contact [project.officer@rob.es.org.uk](mailto:project.officer@rob.es.org.uk) for further information.

# Donate Directly

There are several ways to donate to Robes:

- Just Giving – this is our preferred method of receiving donations. Don't forget to add Gift Aid if you are eligible. [www.justgiving.com/rob.es](http://www.justgiving.com/rob.es)
- Bank Transfer – you can transfer money directly using the following details: Account Name: Robes Project R/C Account No: 65842999 Sort Code: 08-92-99
- You can also donate by cheque, which should be made out to "Robes Project". For details on where to send the cheque to, please contact [rob.es.admin@rob.es.org.uk](mailto:rob.es.admin@rob.es.org.uk)
